Dear Parents,

2008 is well underway and we are looking forward to wonderful music opportunities this spring with your child at FBC. Please take a close look at the enclosed singing schedule with some changes and updates added since last fall.

I hope you will join us on February 6 in the Sanctuary for a brief **Ash Wednesday** service for children in grades 1-5 and their parents. Notice that caregivers for younger children will be available early so parents can get to the Sanctuary by 5:45. Our regular Wednesday programming follows the service. (This is also the deadline for a response from 4th & 5th graders about attending the Children's Choir Festival in Winston.)

Music Makers and Young Musicians will be singing on the next **2nd Sunday, February 10**. Both groups will rehearse early at 8:45 am. Music Makers will join parents in the congregation after they sing. Parents, please sit near the front of the Sanctuary. Young Musicians will follow their usual monthly worship leadership pattern.

I am really excited about "**Mass for the Children**" to be presented on the evening of May 4. This beautiful musical presentation by our older children, youth, adults, and orchestra will honor, as our special guests, those who work with exceptional children in our community through education, social services and healthcare. There are a few extended rehearsals scheduled for all performers. Take special notice of those times and make plans for your child to attend. It will be important to our overall success.

Thanks for encouraging your child to be a part of all the activities for children at First Baptist. As the parent of college students and a 4th grader I know your challenges – and you won't be sorry!

Sincerely,

Terri
